

#Boston Scientific

For more than 40 years, Boston Scientific has worked to improve patients' lives as the world's leading medical technology company. Every day, we address the healthcare industry's most critical challenges with innovative products, a collaborative culture, and a deep passion for improving human life - making a career at Boston Scientific more than just a job. If you want to be a part of that and follow your calling, we should get to know each other.

Your professional career starts with us - combine your talent with what we have to offer!

We are looking for you to join our team at the Düsseldorf location as soon as possible for at least 6 months as:

Sales Cloud intern RM EMEA (m/w/d)

#Your Challenge

- End user support for end users of Salesforce applications (Sales Cloud, Marketing Cloud, eDetail)
- Create and update training materials (training guides and videos)
- Deliver trainings to the field teams on the Salesforce applications
- Create and update dashboards and reports to support management of business strategies and analytics
- Manage and further develop the CRM system

#Your Profile

- You are in the final stages of your studies of business administration, IT, controlling or a comparable course of studies
- For the work in an international team, you definitely have business fluent English skills, Ideally a 2nd European language as French, Spanish, Italian or German
- You are characterized by an analytic mindset and proactively seeking guidance if required
- Ideally, you already have strong Microsoft-Office skills (especially Excel, PowerPoint, Word and Outlook)
- You are able to work independently and stay focused during busy periods
- You have strong communication skills and team-oriented way of working

#Our offer

We are looking for an intern (f/m/d) for at least 6 months. In addition to an exciting job, highly innovative medical products and a respectful working environment in a dynamic team with flat hierarchies and short decision-making processes, we offer you an attractive salary, modern IT equipment and home office option.

If you feel addressed and would like to become a part of our team, then we should get to know each other promptly. Do not hesitate and apply online at Boston Scientific with your complete application documents at: <http://jobs.bostonscientific.com>.

We are looking forward to your application!
