

University Assistant Post-Doc (all genders)

40 hours/week | limited to 6 years

TU Wien is Austria's largest institution of research and higher education in the fields of technology and natural sciences. With over 26,000 students and more than 4000 scientists, research, teaching, and learning dedicated to the advancement of science and technology have been conducted here for more than 200 years, guided by the motto "Technology for People". As a driver of innovation, TU Wien fosters close collaboration with business and industry and contributes to the prosperity of society.

The **Research Unit of Applied Statistics** in the **Institute of Statistics and Mathematical Methods** in Economics at TU Wien has an opening for a university assistant post-doc (all genders) for 40 hours/week. The expected start date is March 2025. This is a fixed-term position limited to expected six years.

Tasks:

- Carry out collaborative and independent research in Statistics
- Teaching: Create and update course materials, syllabi, and assessments to ensure curriculum relevance and alignment with the latest academic and/or industry trends
- Supervision of students
- Professional Development: Stay current with emerging trends and challenges in Statistics, pursue opportunities for professional growth
- Participation in organizational and administrative tasks of the research division and the faculty

Your profile:

- PhD in Statistics or related fields
- Demonstrated experience in or potential for teaching and curriculum development at the undergraduate and graduate level
- Demonstrated ability or potential to work independently and collaboratively
- Organizational and analytical skills as well as a structured way of working
- Excellent communication skills and command of the English language

We offer:

- An active research environment in a collegial team
- A range of attractive social benefits (see [Fringe-Benefit Catalogue of TU Wien](#))
- Wide range of internal and external training opportunities
- TU Wien is centrally located within an excellent network of public transportation (U1/U4 Karlsplatz)

TU Wien is committed to increasing the proportion of women in particular in leadership positions. Female applicants are explicitly encouraged to apply. Preference will be given to women when equally qualified, unless reasons specific to a male applicant tilt the balance in his favour.

People with special needs are equally encouraged to apply. In case of any questions, please contact the confidant for disabled persons at the university, Mr. Gerhard Neustätter.

Entry level salary is determined by the pay grade B1 of the Austrian collective agreement for university staff. This is a minimum of currently EUR 4,752.30/month gross, 14 times/year for 40 hours/week. Relevant working experiences may increase the monthly income.

We look forward to receiving your application until January 23rd, 2025.
