

# University Assistant (Post-Doc)

40 hours/week | limited to 6 years

TU Wien is Austria's largest institution of research and higher education in the fields of technology and natural sciences. With over 26,000 students and more than 4000 scientists, research, teaching, and learning dedicated to the advancement of science and technology have been conducted here for more than 200 years, guided by the motto "Technology for People". As a driver of innovation, TU Wien fosters close collaboration with business and industry and contributes to the prosperity of society.

The Research Unit of Applied Statistics of the **Institute of Statistics and Mathematical Methods in Economics** at TU Wien is offering a position as university assistant (post-doc) limited to expected 6 years for 40 hours/week. Expected start: October 2024.

## Tasks:

- Development and implementation of novel statistical methodology and software
- Contribution to joint group research
- Publication of results at leading journals, workshops and conferences
- Independent teaching or participation in teaching and supervision of students
- Participation in organizational and administrative tasks of the research division and the faculty

## Your profile:

- PhD in Statistics, Mathematics, Applied Mathematics and in-depth knowledge of the subject area
- Strong potential for independent and collaborative scholarship leading to scholarly publications
- Experience in national and international research projects and presentations
- Experience in teaching and publication activities as well as interest in research/supervision with/of students
- Organizational and analytical skills
- Excellent command of the English language and communication skills/ aptitude for teamwork

## We offer:

- A wide variety and exciting range of research opportunities in a collegial team
- A range of attractive social benefits (see [Fringe-Benefit Catalogue of TU Wien](#))
- Wide range of internal and external training opportunities, various career options
- Central location of workplace as well as good accessibility (U1/U4 Karlsplatz)

TU Wien is committed to increasing the proportion of women in particular in leadership positions. Female applicants are explicitly encouraged to apply. Preference will be given to women when equally qualified, unless reasons specific to a male applicant tilt the balance in his favour.

People with special needs are equally encouraged to apply. In case of any questions, please contact the confidant for disabled persons at the university, Mr. Gerhard Neustätter.

Entry level salary is determined by the pay grade B1 of the Austrian collective agreement for university staff. This is a minimum of currently EUR 4,752.30/month gross, 14 times/year for 40 hours/week. Relevant working experiences may increase the monthly income.

**We look forward to receiving your application until 26.09.2024.**
