MSc Econometrics

Date of Submission:

You are asked to use the following template Academic CV to help us identifying your skills and motivation for the master's program Econometrics of the UA Ruhr Universities (TU Dortmund University, Ruhr University Bochum, and University of Duisburg-Essen).

Your answers will not affect whether or not we accept your application, but will help us to review your transcript to see if any additional requirements will be imposed if you are admitted. Furthermore, we also want to get to know our future students better, since we will spend a lot of time together.

Please state your name and date of birth

What is your bachelor's degree grade (also indicate what is the grade w.r.t. your grading system)?

Please list all of your academic degrees and at which universities you earned them: (If you are still studying, indicate your prospective degree and program of study)

How many credit points have you achieved in economics subjects? Please list the courses and the corresponding credit points.

How many credit points have you achieved in quantitative subjects from the fields math, statistics, econometrics, empirical economics? Please list the courses and the corresponding credit points.

What (mathematical/statistical) programming languages are you proficient in?

Empirical econometric work is a high priority for us. Please indicate in which course you have worked on your own empirically (with data), e.g. in the context of a project, seminar paper, your thesis, external internship, etc (Explain briefly the empirical question and what statistical / econometric methods you used).

Please explain your motivation for studying econometrics.

Why do you feel a program whose requirements are considerably more formal and quantitative than, e.g., that of a typical M.Sc. in Economics is right for you?

If you have already familiarized yourself with our program of study and possible courses, please list a few courses from the elective compulsory areas that you would like to take.

Why do you want to study at the UA Ruhr Universities TU Dortmund University, Ruhr University Bochum, and University of Duisburg-Essen?

How did you hear about our Master's program?

Here is space for 3-4 sentences on things you additionally want to let us know (e.g., awards, special circumstances, etc)
